we care for you

# *we are here for you*

## Craig Anderson, M.D.

As a board certified member of our Family Medicine Department, Dr. Anderson specializes in caring for the whole family. He treats all patients compassionately with attention to their physical and emotional well-being. His patients appreciate his thoroughness and dedication while enjoying his sense of humor. Dr. Anderson earned his medical degree in 1980 from Northwestern University. He completed his internship and residency at Lutheran General Hospital in Park Ridge. Dr. Anderson is a member of the American Academy of Family Physicians. He is affiliated with Elmhurst Memorial Hospital.

## Gina Drugas, M.D.

A native of DuPage County, Dr. Drugas is board certified in Family Medicine. Her areas of clinical interest include pediatrics and preventive medicine. Dr. Drugas received her medical degree in 1989 from University Health Sciences Chicago Medical School in North Chicago. She completed her residency in Family Practice at Rush Presbyterian St. Luke's Medical Center in Chicago. Dr. Drugas is a member of the American Academy of Family Physicians. She is affiliated with Elmhurst Memorial Hospital.

## Judith Sherman, M.D.

Dr. Sherman is a dedicated and caring physician who is board certified in Family Medicine. Her special areas of clinical interest include pediatrics and hypertension. Dr. Sherman received her medical degree in 1980 from Loyola University Stritch School of Medicine. She completed her internship and residency in Family Practice at Lutheran General Hospital in Park Ridge. Dr. Sherman is a member of the American Academy of Family Physicians. She is affiliated with Elmhurst Memorial Hospital.

## Corinna Wojcik, M.D.

With interests including women's health, diabetes, obesity and encouraging healthy lifestyles, Dr. Wojcik believes in thoroughly explaining diagnosis treatment options and the importance of prevention with patients and their families in order to practice patient-centered medicine. This philosophy aids her in caring for patients of all ages. Additionally, she speaks Spanish and welcomes Hispanic patients to her practice. Dr. Wojcik earned her undergraduate degree in Biology from the University of Notre Dame and her medical degree from Loyola Stritch School of Medicine. She completed her residency in Family Medicine in a combined program at both Rush Presbyterian St. Luke's Medical Center and Advocate Illinois Masonic Medical Center. Dr. Wojcik was awarded her residency's 2002 Award for Excellence in Patient Education. She is a member of the American Academy of Family Physicians and is board certified. She is affiliated with Elmhurst Memorial Hospital.

## building relationships

We understand there is nothing more important than the health of you and your family. As your physicians, we are committed to your well being. As our patient, we work with you to establish a long term relationship so that we can help you stay healthy. With open and honest communication, we will provide you with the latest health information and answers to all your questions.

As part of DuPage Medical Group, you'll have access to leading healthcare specialists and the area's finest facilities, should the need arise. For more than 40 years, the physicians of DuPage Medical Group have provided your family, friends and neighbors with compassionate care and top notch expertise.

## office hours

|           |         |    |          |
|-----------|---------|----|----------|
| Monday    | 9:00 am | to | 7:30 pm  |
| Tuesday   | 9:00 am | to | 5:00 pm  |
| Wednesday | 9:00 am | to | 4:00 pm  |
| Thursday  | 9:00 am | to | 7:00 pm  |
| Friday    | 9:00 am | to | 5:00 pm  |
| Saturday  | 9:00 am | to | 12:00 pm |

Visits are by appointment and can be scheduled by calling 630 628 8889.

The office is closed from 12:00 pm to 1:15 pm daily during weekdays.

## illness after hours

A physician is on call after hours to answer your urgent medical questions. Call 630 628 8889 to contact the on call physician. If you have HMO insurance, you are required to obtain pre-authorization for emergency department visits from your physician, except in the case of life-threatening emergencies.

## laboratory hours

All labs should be scheduled. Patients can call 630 628 8889 to schedule lab appointments.

## referrals to specialists

Referrals to specialists within DuPage Medical Group usually are processed in 1-3 business days and referrals to specialists outside of DuPage Medical Group require 3-5 business days for processing. To check on the status of a referral, contact our referral coordinator at 630 628 8889 and select option 3.

## medication refills

Requesting medications can be done by calling our office at 630 628 8889 and selecting option 2. Please allow 48-72 hours for a response to your request for a medication refill. Narcotic and controlled substances refills are done by a patient's primary physician and are not done on weekends or after hours.
